

I am a certified UX Designer with a strong foundation in user research, wireframing, and responsive UI design. Skilled in tools like Figma and Adobe XD, with hands-on experience designing real-world projects focused on usability and accessibility. Passionate about solving user problems through thoughtful design and eagerness to contribute to a collaborative team, actively seeking entry-level opportunities to grow as a UX professional and make a meaningful impact through design.

EDUCATION

Google UX Design Certificate

// May 2025 - June 2025, Online

Completed a rigorous training designed for entry-level job readiness. 30 modules included topics like: UX research fundamentals, inclusive design, low-fidelity and high-fidelity prototypes, and tools like Figma and Google Material Design. Completed hands-on projects and [developed a portfolio](#), including 3 projects, to receive the certificate.

Kwantlen Polytechnic University Computer Information Systems Diploma

// May 2022 - August 2024, Surrey, BC, Canada

Graduated with a 2.74 GPA. I am an active member of KPU IT Club and two-time award winner at KPU International Peer Mentorship Program.

EXPERIENCE

Barista Blenz Coffee

// February 2023 - March 2025, Ladner, BC
